Re: **Form 471 Out of Window Filing**
Date: **8/20/2017**

To Whom It May Concern:

I am Jeffrey Tull, Technology Director for Socorro Consolidated Schools. It is my responsibility to file form 471 each eRate cycle. In May, 2017, I was under the premise that I had filed district 471s just before the deadline closed. While reviewing my documentation to complete BEAR forms for year 16, I realized I had not.

Application **171048826** was filed for Category 1 service to provide Wireless internet to two outlying schools that cannot be reached with fiber. I contacted USAC and learned that I had filed the 471 at 10:01 MST (12:01 EST) and was therefore out of window.

I request that our application be moved from out of window to In window so that it can be properly reviewed and, hopefully, accepted. We have been providing service to the outlying schools regardless, but the appropriate eRate funds are necessary to offset costs.

If you have any questions or comments, I can be reached anytime for further information. Thank you.
